FIFTH WHEEL TOYHAULERS

XTENDED LIVING AND RECREATION

422 AMP Kick back and relax! This NEW side deck floorplan has it all! Cool blue LED lighting accents the LG countertop's translucent edge. Cozy up by the modern, electric fireplace with glass rocks and an energy efficient infrared heating system. Enjoy movies or your favorite sporting event on the large LED TV, with a sound system that puts you in the middle of the action. This plush, four seat, Zero wall-hugging recliner sofa has integrated lumbar support, and is the most comfortable seating in the industry. Blue LEDs highlight the heat/massage control cup holders and the sofa base.

422 AMP *The 422 AMP features a side patio deck with an electric fireplace, an LED TV and two entry doors (one to the garage, and the second to the living space). The off door side entrance with stow-and-go steps offers convenient access to the fuel station and your toys.*

Bold, Luxurious and Loaded for True Multi-Purpose Living!

Choose your destination, load up your friends, all your gear and hit the road! Head turning Thunderbolt fifth wheels are the best toy haulers on the market today. Outstanding details include rich, Espresso cabinetry and wainscoting, elegant frosted glass cabinet doors, plus LG solid surface countertops and recessed stove tops. All Thunderbolts are furnished with an XLR King bed and LED lighted recliners, and are accented with dramatic blue LED lighting throughout. Garage and outdoor patio configurations maximize versatility and extend living space. They're designed to fit today's most popular side-by-sides, four wheelers, motorcycles, grills, kayaks, bicycles, pets and kids.

422 AMP *Thunderbolts are reknown for modern design and ergonomic floorplans. Stock up for a long adventure and cook up a storm! This well-planned kitchen has plenty of storage and prep space, plus stainless steel, deep bowl sinks with a contemporary faucet.*

XLR
THUNDERBOLT
FIFTH WHEEL TOYHAULERS

413 AMP Gather around for good times! This open, inviting living space features a large LED TV, fireplace and Sony touch-screen Bluetooth DVD player. Contemporary blue LED lights compliment the rich Espresso wood interior. Durable Birchwood plank-style Beauflor® flooring contrasts with the bold decor. Solid wood treaded steps add safety. There's a modern ceiling fixture, residential microwave, a recessed stove top with front high output burner and a 22" oven, plus a large 12 cu. ft. 4-door gas/electric RV refrigerator – all standard! For added convenience, the optional "MyRV" multiplex system controls lights, awning, slide outs, and the leveling system from a touch screen or smart phone. An 18 cu. ft. stainless steel 110V residential refrigerator is also available as an option.

413 AMP *This spacious contemporary bathroom features a 40" shower with convenient seat, skylight and a glass door.*

Go Big. Go Bold. Go XLR!

Outdoor enthusiasts, family vacations, sporting events or off-road adventures...the possibilities are endless. Even better, Thunderbolt's flexibility offers years of luxury living as your interests evolve and change.

413 AMP *This spacious XLR king bed master suite offers plenty of his and hers mirrored wardrobe space, night stands and reading lights for a residential touch. There's even a USB charger for your smart phone or tablet! Shown in Onyx decor.*

This Versatile Living Space Rocks!

Now guests and kids have it all in the 413 AMP's garage/bedroom/living space. This full second bathroom is easily accessed via the garage or the patio deck, reducing tracking the outdoors - indoors. Both washer/dryer prep and a Dyson vacuum are standard.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

*Estimated Average based on standard build optional equipment.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

XLR THUNDERBOLT FIFTH WHEEL TOYHAULERS

**Play hard
and rest
easy with
Thunderbolt!**

Thunderbolt Toyhaulers maximize versatility. This max clearance dinette flips down for a full 8' of space when loading your toys, plus there's an electric bed above. It's more than an garage, with textured, gas and oil resistant industrial flooring, designed to transport today's most popular side-by-sides, 4-wheelers, motorcycles, grills, kayaks, bicycles, pets, and kids. It's also a dining room, a game room/recreation area, or a private second bedroom with a dedicated bathroom, (select models). An optional roll-out carpet amps up the comfort.
