

# ELLIPSE®

{ 2010 }

 **ITASCA**

## You Can Have it All

Your dream, the lifestyle you have worked so hard to achieve, is in your hands. It's time to travel in style. It's time to slow down and enjoy new sights and new friends. It's time to take to the road in a coach that promises premium performance and enough storage to take it all with you. That's living in luxury. That's the 2010 Itasca Eclipse.®

*The Itasca Difference* Itasca motor homes are built on our exclusive SuperStructure® foundation creating some of the industry's strongest, most durable motor homes. Quality components, precision manufacturing and attention to the smallest details—such as running every coach through our high-pressure leak test—all go into making Itasca motor homes simply the best.

# ELLIPSE

## Exterior Paint

The Ellipse has distinguished curb appeal thanks to full-body paint with a double clear coat. A lower front protective mask safeguards the paint for years to come.

*Black Knight*  
{ FULL-BODY PAINT }

*Mineral*  
{ FULL-BODY PAINT }

*Mahogany*

*Vermillion*  
{ FULL-BODY PAINT }

## Interior Décor

Three fabric collections and three coffee-glazed cabinet wood choices with brushed nickel hardware and hidden hinges let you select your perfect interior. UltraLeather™ provides a luxurious, better-than-leather alternative that is extra soft, durable and easy to clean.

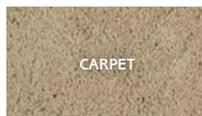

*Coffee-Glazed  
Honey Cherry*

*Coffee-Glazed

*Square Root*

*Woodbridge*

## Expect More

Experience a more refined level of travel in the Ellipse. It all starts with a Maxum® Chassis foundation. Its unique lowered-rail design delivers the ultimate ride and maximum storage. Tap into the power and performance of the 400-horsepower Cummins® diesel engine and Allison® 6-speed transmission on a trip through the mountains and you'll wonder why you ever drove anything else. The Ellipse lineup even comes with the new tag axle 42AD with an impressive 44,320-lb. gross vehicle weight rating for even more diesel-pusher power. SmartSpace™ designs promote the use of innovative features, such as an industry-exclusive extendable sectional sofa on the 40BD and 42AD, and a second half-bath in the 40CD. Experience true diesel-pusher luxury in the 2010 Itasca Ellipse.

REST EASY®

### Entertainment Amenities

- Two 40" LCD TVs (40WD & 42AD)
- 40" LCD TV (40BD & 40CD)
- Available King-Dome® HD-ready in-motion satellite system
- Ceramic tile

## Stay Awhile

You're going to love every minute you spend in your Ellipse. For starters, every model comes with a 40" LCD TV. The 40WD and 42AD include a second 40" LCD TV in the living room for excellent viewing from any angle. The 42AD provides an authentic home viewing experience with an exclusive extendable sectional sofa and twin recliners. Other models let you watch and relax from the Rest Easy® multi-position lounge or the available Rest Easy theater seating with matching recliners that fold down into twin beds.

Precision climate control is provided on most models by the TrueAir® residential central air conditioning system with heat pump. The 42AD features the cooling power of three roof-mounted air conditioners, each with a heat pump. Aqua-Hot® hydronic heating is standard on the 40CD and 42AD, providing zone heating and a source of continuous hot water. Day/night pleated shades give you multiple levels of light and privacy. You can also upgrade to smooth-operating duo roller shades with a blackout shade and a solar sunscreen.

## A Feast for the Eyes

The kitchen wows you with Corian® solid-surface countertops and gorgeous coffee-glazed cabinetry with brushed nickel hardware. A full complement of appliances, including a microwave/convection oven and a 3-burner range with glass cover, provides limitless cooking opportunities.

Depending on your model, dining options may include a dining table, BenchMark® full-comfort dinette, dining table/buffet or the U-shaped UltraLeather® dinette with sliding tabletop. An available Dirt Devil® central vacuum system with a handy vacpan in the kitchen makes for quick disposal of any crumbs.

42AD

### *Kitchen Highlights*

- Microwave/convection oven
- Range top with sealed burners
- Available stainless steel refrigerator with automatic defrost and an ice and water dispenser in the door
- Full-extension drawer slides

# ELLIPSE

## No Need to Count Sheep

You'll sleep well in your Ellipse because you can pick the perfect bed for you. The Ideal Rest™ body-conforming mattress comes standard or you can choose the Sleep Number® bed on the 40BD and 40WD. Enjoy king-size comfort in a power-adjustable bed in the 40CD and 42AD.

A switch near the bed on the 40CD lets you remotely raise the 26" LCD TV from its cabinet, where it conveniently tucks away when not in use. The 40CD also features a large private master bathroom with Corian countertops, a skylight and a roomy shower. You'll find abundant storage in a cedar-lined wardrobe and you can add a washer/dryer combo in any model or a stackable washer and dryer in the 40CD and 42AD.

### Bedroom Amenities

- Ideal Rest body-conforming mattress
- Available Sleep Number bed
- Stereo system w/CD/DVD player
- Available washer/dryer

## Settle in for the Ride

The 2010 Ellipse is all about the ride with six-way power pedestals for both cab seats, available heated seats and the option of an oversized passenger seat. Duo roller shades include a blackout shade and a sun screen. The cab treats the driver to several advanced navigation tools, including a tilt/telescope SmartWheel™, a rearview monitor system and an available side-view camera system. You can also add the Garmin® GPS for turn-by-turn voice guidance to your next destination. It includes a separate LCD screen and remote.

The RV Radio® with CD player has been updated for 2010 and you can upgrade to the Plug-N-Play Sirius® satellite system. The Plug-N-Play system includes a portable console so you can enjoy digital programming in your tow vehicle. A complimentary six-month subscription is included.

### Cab Features

- Rearview monitor system
- Duo roller shades
- Available Garmin GPS
- Available heated seats
- Available side-view cameras
- Built-in defroster fans
- Available Plug-N-Play Sirius satellite system

The only manufacturer to have received the RVDA Quality Circle Award for exceptional products, service and support for 12 consecutive years

## Invite the Neighbors

The available exterior entertainment center, located in its own compartment in the slideout, will make your tailgate party the place to be. It features a 32" LCD TV, CD/DVD player, AM/FM stereo, iPod connector and additional power outlets. You'll always have power with an 8,000- or 10,000-watt Cummins Onan® Quiet Diesel™ generator, 2,000-watt inverter/charger and four Group 31 deep-reserve batteries. You can also add a portable refrigerator/freezer for extra cold storage.

*Innovative Storage* The Maxum Chassis offers your choice of multiple storage configurations with movable panels in the storage compartment or the available 90" compartment tray that slides out for easy access from both sides of the coach.

**MAXUM CHASSIS**

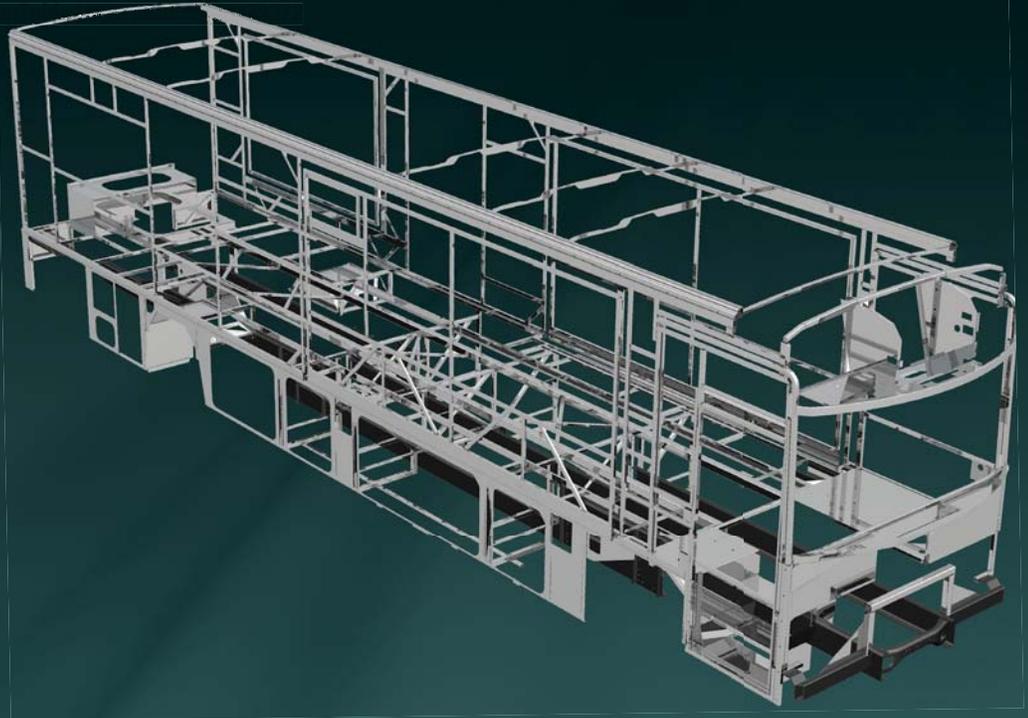

THE LEADER AT EVERY TURN™

*Enjoy the Ride* The exclusive Maxum Chassis delivers an uncompromisingly smooth ride thanks to the legendary performance of Freightliner® and the advanced chassis features that cushion you from bumps in the road. You'll also enjoy up to an unheard-of 220 cu. ft. of storage as a result of the Maxum Chassis' advanced lowered-rail design. The Maxum Chassis is the ultimate foundation for a new level of travel comfort.

- 400-hp Cummins turbo-charged ISL diesel engine
- 34,320-lb. GVWR (44,320-lb. on 42AD)
- I-beam front suspension
- Allison® 6-speed transmission
- 10,000-lb. hitch<sup>6</sup> (15,000-lb. on 42AD)
- 4-wheel ABS anti-lock brakes
- NeWay® air suspension
- Engine compression brake
- 55° wheel cut
- Battery disconnect system

# SUPER STRUCTURE

<http://www.facebook.com/photo>

**SuperStructure®** Legendary strength and durability are the results of SuperStructure construction that goes into every Itasca motor home. It's the combination of quality, proprietary components and careful attention to detail that makes Itasca motor homes the cream of the crop.

- Patented Thermo-Panel™ sidewalls are durable and lightweight.
- Specially engineered interlocking joints connect the floor, sidewalls and roof together for strength and durability.
- An automotive-style dip tank applies an advanced electrodeposition coating that protects critical steel components.
- The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

**Service Centers** Electrical and plumbing service centers make set-up at campsites quick and easy.

- Color-coded connections
- QuickPort® service connection hatch for fast hookups
- Wash station
- Winterization package for easy storage

**Entertainment Center** Add the available entertainment center and you can watch movies under the stars.

**The ONE PLACE™** systems center lets you control key systems from one location, including:

- **TRUEATR** Residential AC eliminates roof run-off and the heat pump takes the chill off of cool mornings without starting the furnace (NA 42AD).
- **TRUELEVEL** Sonar technology provides accurate tank-level readings every time.
- **POWERLINE** Energy management system monitors electrical usage and automatically cycles appliances on and off to prevent tripped campground circuit breakers.

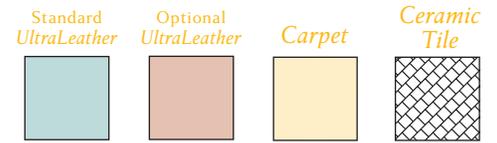

*Committed to Service* We back our motor homes with the industry's best service after the sale:

- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile warranty on structure
- Standard 10-year limited parts-and-labor roof skin warranty
- Complimentary 24-hour roadside assistance program
  - RV Technical Assistance Hotline
  - RV Service Appointment Assistance
  - Emergency Trip Interruption
  - Emergency Message Service
  - Nationwide Trip Routing
  - Fee-Free Travelers Cheques

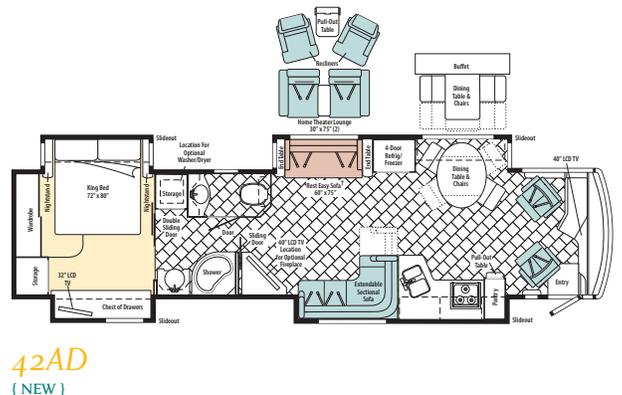

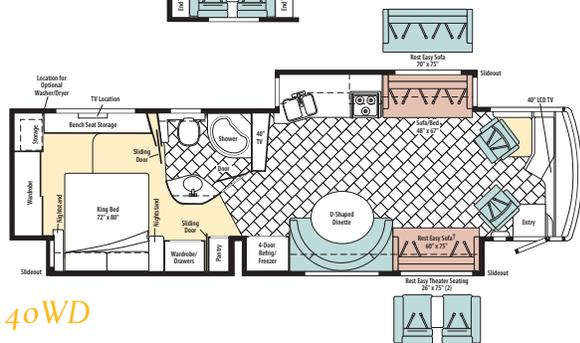

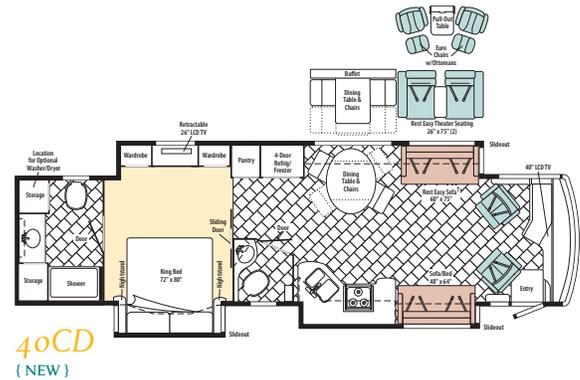

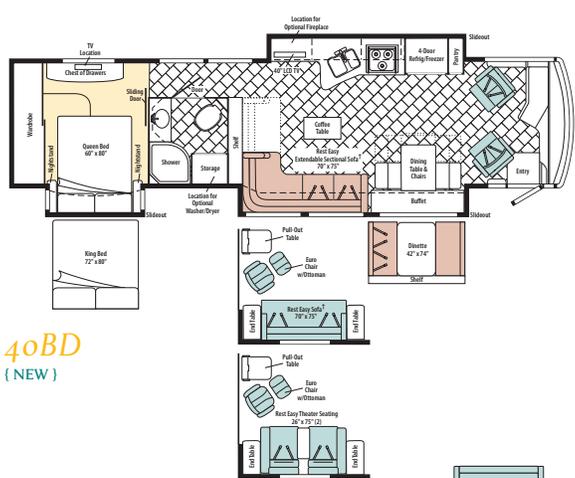

# Floorplans & Specifications

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at [Goltasca.com](http://Goltasca.com).

 36-month/36,000-mile limited warranty on structure<sup>8</sup>  
 10-year limited parts and labor warranty on roof skin<sup>8</sup>

o Optional

NA Not Available

1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

2 Ellipse floorplans feature a wide-body design – over 96" in making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.

3 The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.

4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

5 Capacities shown are tank manufacturer's listed water capacity (W.C.) Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

6 Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

7 See separate chassis warranty.

8 See your dealer for complete warranty information.

Not all items available in combination. See dealer for details.

Winnabago Industries® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available at printing.
