MOTORHOMES

SUPERNOVA

*A rare celestial phenomenon; a star
that emits a vast amount of energy.*

Off the m on the mark.
LIVING CONVENIENCE...

Living off the map doesn't mean you have to feel like it. Our spacious living quarters feature a well equipped galley, space saving entertainment center, stain resistant plush carpet, comfort plus furniture, and H-ducted ventilation system giving you all the comforts you would enjoy at home.

6400 U-Shape Dinette/Booth

Bed for easy extra room to dine with the whole family.
(shown in Chocolate decor)

6400 Master Suite/Master Bathroom

features a large King bed with a large wardrobe closet, expansive windows and a flat screen TV. The 6400 Master Bathroom highlights a residential neo-angle shower with glass door while the 6372 (not pictured) gives you a fully enclosed shower in the bathroom. (shown in Sante Fe decor)

6400 Great Room/Kitchen

Room to stretch and relax in the SuperNova 6400. Enjoy the great room with a deluxe kitchen area including a 3 burner top, solid surface countertop and convection microwave.
(shown in Chocolate decor)

6400 Bunkhouse

for an extra sleeping and play area! Complete with drop down LCD monitors for watching a movie or playing video games.
(shown in Sante Fe decor)

Top Checkpoints!

SuperNova offers an optional extra safety feature in the Back up Monitor. Gives you extra viewing behind the RV.

The SuperNova has nearly 7' interior ceilings for a residential look and feel with 6 foot ceilings in the slideroom.

Unlike traditional plywood and foam seating Comfort Plus Seating features the strength of steel and the comfort of a sprung dinette cushion.

Conquest has eliminated the carpeting on the built-in stair well to make the cleaning process easier and to add traction so there is less likely to be slipping when maneuvering in and out of the vehicle. Several models also have the magnetic door stays that are easy to use and dependable.

Added, Value

FLUSH FLOOR slide out rooms

The SuperNova includes flush floor slides for a clean residential look and feel.

Dual metal H-Ducted air conditioning system eliminates mildew causing condensation and is wrapped in foil bubble insulation for improved climate control.

Excellent Weathering - Maintaining the vehicle's quality appearance enhances its resale value.

Tear Resistance - Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass - Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

Our residential style cabinets are constructed of solid hardwood doors and fronts that are pre-drilled and screwed, then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading, and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

CONSTRUCTION...

Quality, Comfort, Strength and Value are four great words to describe our mind set while designing and constructing the conquest lineup of products. You can see and feel the quality and attention to detail we gave every component. From the strength of our foundation, roof, floor and sidewalls, down to the comfort of our seat cushions, nothing was skipped.

SUPER STRENGTH TRUSS SYSTEM

TUFF-TRUSS
6000 lbs.

The super strength truss system is unmatched in the class C industry. The structural subfloor foundation begins by welding a network of steel web trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

1. Seamless Fiberglass Flexroof Designed to Resist Staining and Maintain Quality Appearance; Dissipates Heat and Prevents Tree Limbs from Tearing or Scratching Roof.
2. Luan Decking for Additional Strength.
3. Molded, High Density EPS (Expanded Polystyrene) Roof Brick Insulation - Provided Consistent Insulation Value as well as Superior Dimensional Rigidity.
4. One-Piece Formed Aluminum Air Conditioning Duct, Completely Surrounded By EPS Insulation.
5. Bubble-Wrapped Foil Insulation Provides Superior Insulation and Helps Prevent Condensation.
6. Rugged Welded Tubular Aluminum Roof Framing.
7. Form the Sidewall Framing.

8. High-Density EPS Insulation Provides Superior Lamination and Bonding Characteristics and Insures Greater Energy Efficiency.
9. Interior Wall Panels Securely Laminated to Sidewall Framing.
10. "Super Slick" Fiberglass Exterior Vacuum-bond Laminated to Sidewall Framing for Lasting Beauty and Durability. (Option)
11. High-Quality Stain-Resistant Carpeting Available in Designer Coordinated Colors.
12. Extra-Thick Padding Under Carpet Provides Extra Comfort and Increases Carpet Durability.
13. Floor Decking Laminated to Steel Floor Structure Assures a Quiet, Long-Lasting Rigid Floor and comes with a 10-Year Warranty.
14. Heavy-Gauge Tubular Steel Floor Framing, Fixture Welded for Extra Strength and Stability.

15. Heavy-gauge Tubular Steel Framed, Fixture Webbed Floor Truss System Provides the Strongest Class C Foundation in the Industry.
16. Seamless Layer of Galvanized Steel Securely Laminated to the Steel Floor Framing.
17. Galvanized Steel Used to Form Each Storage & Holding Compartment.
18. Durable All-Weather Carpeting Completes Each Accessible Storage Compartment, Providing Extra Protection for Luggage and Valuables.
19. Rust-Prohibitive Paint Coating Applied to All Steel Framing Assures Corrosion and Rust Protection.
20. The Industry's Strongest, Most Spacious Exterior Storage Compartments.

2 YEAR UNLIMITED MILEAGE TRANSFERABLE WARRANTY

One year unlimited mileage total use warranty under normal use against defects in material and/or workmanship in construction and original components. For purposes of this warranty, "normal use" means use for the primary purpose of the vehicle as intended by the manufacturer. Structural components and fasteners are warranted for 2 years or 20,000 miles, whichever comes first. See the official written Gulf Stream Coach, Inc. Limited Warranty for details.

Value, Added

G.O.L.D. Program

(Gulf Stream Ownership Lifetime of Dedication)

Gulf Stream is dedicated to our customers and their enjoyment of our products. Our golden promise is to call you within four weeks of the new vehicle purchase date welcoming you to the Gulf Stream family. This call, made by your dedicated customer care person, is to let you know that if you ever need assistance with the operation of components, troubleshooting, or if you ever need to locate an authorized service center, you can rest assured that help is but a phone call away. With the G.O.L.D. Program we'll be there for you for the lifetime of your RV.

CONQUEST
MOTORHOMES

SUPERNOVA

The Conquest Checkpoint is the outward physical symbol of our role as industry leaders. Our exacting standards for creating the best possible RV Customer experience are the direction the rest of the industry seeks.

Beyond the beaten path, to a new destination.

Conquest constantly looks to the future, casting a clear vision of "the next big thing" and making it happen. We don't follow trends; we set them. Beyond imagination, to reality.

Conquest Motorhome Division is a member of the Gulf Stream Coach family of products. As a privately owned company with nearly 25 years of RV manufacturing experience, Gulf Stream has set itself apart from the rest of the RV industry by giving the market exactly what it's looking for. We are constantly talking to our customers and dealers, taking their suggestions and implementing them in our products. We also use Lean Manufacturing Techniques, Six-Sigma Quality Control, Creative Standardization and 5 S practices to maximize our production efficiency and eliminate waste. Our efficiency has received accolades from Vincennes University for Total Quality Management. These practices have also gained recognition from the state of Indiana, as we have received the Indiana Governor's Award for Recycling, making us one of the few eco-friendly manufacturing companies in the industry. All these initiatives go back to one goal... To give you the highest value product offerings, quality construction, innovative features, contemporary designs, and unmatched service and on-going support.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. Go to www.streamers.gulfstreamcoach.com for more information.
