TRUCK CAMPERS
DON'T SETTLE FOR LESS!

New for 2005 - The very spacious Model 860 Slide-Out. This versatile model is designed to fit short or long box heavy duty trucks.

Supreme Livability

Experience the comfort and livability only Citation can offer. The new Model 860 slide shown above in the Driftwood interior boasts a modern kitchen with raised maple doors, can storage rack, numerous drawers on steel guides, a spacious booth-style dinette, double acrylic sink, Moen pewter finish faucet with spray and large 2-door fridge. Optional double-glazed thermopane windows and double pane residential skylights brighten the interior and provide coziness in colder weather.

The bedroom of the 860 Model (opposite) is shown with the optional mirrored wardrobe arrangement. Bedrooms have the comforts of home with superior headroom, superb storage, innerspring mattress (60" x 80"), luxurious appointments, TV shelf and "Fantastic" vent fan standard in most models.

Enclosed, heated basement storage and holding tanks are standard and the models 860, 10'8" and 10'8"S boast a 48 gallon fresh water tank (optional Model 10'4").

Model 860 bedroom shown with the optional mirrored wardrobe and shelves.

We are **General Coach**, a division of Thor Industries Inc., a western Canadian company that manufactures the well known Citation brand of quality recreational vehicles. For over 54 years we have been consumer established as builders of high value, superior quality RV's with proven high resale value.

Because we are a limited capacity production company we do not mass produce our products allowing us to ensure strict quality control standards which, in turn, ensures your comfort and satisfaction. Residential quality components and residential style construction techniques are utilized by skilled, conscientious, long term employees dedicated to quality workmanship.

Citation by General Coach is designed for recreational use in western Canadian climate and conditions with standard features second to none. Your peace of mind with your purchase decision is reinforced by Citation's **Six Year Limited Structural Integrity Warranty**.

Why a Thor Product Is Your Best RV Value.

Thor Industries, Inc., proudly traces its history back nearly seventy years to the pioneering days of the RV industry with the founding of Airstream, the industry's oldest and most renowned brand. Our total commitment to quality and our philosophy of putting our customers first has led to our continuous growth; today Thor is the largest manufacturer of travel trailers and fifth wheels, a major manufacturer of motorhomes and the largest builder of small and midsize buses in North America. Thor's strong financial condition and years of solid growth are your assurance that we will be here to serve you for years to come. We think this extra peace of mind is important when you are making a significant investment. *Our customers are always #1 with us.*

Supreme Satisfaction

The popular 10'8"S Model shown above in the vibrant Truffle interior has a very open kitchen and living area. All models excluding the 9'2" are 8'4" in width which provides spacious livability not found in most other truck campers. You'll marvel at the kitchen amenities and large storage cupboards above and below the counter. Further storage is complimented by five wardrobe closets. A truly open feeling is created by an abundance of windows on all sides and the residential quality skylight. The bathroom has a separate, full height shower enclosure with an optional skylight.

Don't take our word for it though! Read our customer testimonial page and discover how our customers enjoy the unique features found only in our campers and how the construction techniques hold up to the rigors of road and climate conditions throughout North America.

A buying decision you'll never regret!

“ This was a very big purchase for us but we had no regrets ! We were able to go camping this fall and winter. The floorplan was the seller for us. We had a hard time deciding between the slide-out and the additional bunk above the diner. We are happy with the extra room the slide-out gives.

G.& K. Long- Snohomish, Washington ”

“ Somehow - more storage underneath. Otherwise - she's just about perfect!

J.&T. Ipock - Oxnard, California ”

“ We not only love the layout but the storage as well. The camper feels and looks solid. We like the fact it was made for cold weather.

T. Knight - Dalton Gardens, Idaho ”

“ A first class camper in every respect. The first comment from anyone seeing it for the first time is “Wow”. Friends are amazed at the quality, fit & finish of everything. We will be purchasing a new General Coach fifth wheel in 3 - 5 years from now.

L.&M. Hanton - Prince George, British Columbia ”

“ Both of our previous RV's were good but our new camper is way ahead in craftsmanship, quality of materials and ease of use. Thank you for a wonderful RV. We plan to come and see the factory as we are not far away.

A&M. Johnson - Burlington, Washington ”

“ We could just feel the quality the minute we walked in. Love the lower bed, the slideout is great! Too many improvements over the competition. So much storage.

M.&S. Brosier - Post Falls, Idaho ”

“ I like everything about my camper. You did a very good job when you built this camper.

G.&K. Lemons - Fairview, Oregon ”

“ Bought this unit because it is winterized and that's what we were looking for. Overall - we are very happy with this camper and very happy with our factory tour and the dealership treated us great.

B.&W. Askin - High River, Alberta ”

“ Quality of workmanship is excellent, abundant storage, skylites, fan with thermostat, super comfortable mattress and many other amenities. We are very satisfied with our purchase. We looked at the competition - quality, amenities and features couldn't be matched for the price.

J.&A. Swanson - Spanaway, Washington ”

“ Very pleased! Our first trip was to go across Canada to Newfoundland - over 20,000 kms. in 69 days with no problems. Excellent storage and comfortable bed.

L. Martel - Westbank, British Columbia ”

“ Love the skylights & open floorplan.

D. Lindell - Stanwood, Washington ”

“ Light color, impression of more room (both frig. & dinette slide-out) and skylight in bathroom gives an open feeling and lots of cupboard space is a real plus.

J. McGowan - Kent, Washington ”

“ Very good product!

ERandle Farms - High River, Alberta ”

“ We have enjoyed our camper tremendously, lots of interior room, spacious bed & large hallway. This camper is actually easier to prepare family meals in than our motorhome. Love layout, lots of room for dishes, pots & pans, etc. Low entry to the queen bed is a definite plus.

D.&B. Skaggs - Vancouver, Washington ”

“ I did research for over 4 years to find the right camper – yours was and is the top of the line. I'm very satisfied with what I got for the money. You should be proud of your products. Thank you.

M. Foster, Bremerton, Washington ”

“ You've got a good product!

H. Weber - Miami, Florida ”

“ I really like the skylights, easy height of bed, large freezer and bathroom size.

R.&N. Brink - Junction City, Oregon ”

“ We love our new camper. We are very happy with the quality of the product. The layout and the colors are perfect.

D. Johnsen - Prince George, British Columbia ”

6 Year Limited Structural & 2 Year Component Warranty

General Coach provides you with a two-year limited warranty on your truck camper and General Coach also includes a six-year limited warranty which covers the structural integrity of your truck camper. Additionally our major component/appliance manufacturers provide a limited two-year warranty on their products. This added warranty is unique to the recreational vehicle industry and should be one of your very serious considerations when choosing your next R.V.

Citation Supreme – Don't Settle For Less!

The Model 9'2" features a forward booth dinette, large kitchen counter with superb storage and numerous drawers. The 9'2" is suitable for short box trucks, shown here in the Evergreen Interior.

The 9'6" shown in the Summer Suede interior is one of our most popular wide body models due to its shorter length yet with all the features of the larger models.

There are five slide-out models to choose from. Opposite, the Model 10'8"S slide features a large "Norcold" two-door refrigerator, a double can storage rack and a bank of four drawers for superb kitchen storage. All the comforts of home are provided in spacious surroundings. Slide-out rooms are insulated with high density block styrofoam insulation and double sealed in the open and closed positions.

An aerodynamic molded fiberglass front cap reduces wind resistance and provides spacious headroom in the bedroom.

Optional "Stormtite" double glazed windows eliminate condensation and allow all season comfort. Solar reflective glass filters UV rays and reduces heat build-up in summer. By far the best made window in the RV industry.

An optional pull-out propane tray is available (Models 9'1", 10'4" & 10'8"S). A 25,000 BTU ducted air furnace, black tank flush system, rack & ladder, exterior shower and lights both sides are standard conveniences.

You'll love the long item storage basements provide. Large holding tanks are heated for all season use. Both the bottom and upper floors are insulated with high density block foam insulation. An optional aluminum bumper with fold-down step allows easy entrance.

Supreme Construction

2" Vacuum Bonded Wall

- 1 Laminated Filon fiberglass gelcoat exterior
- 2 Laminated plywood substrate
- 3 Ultra high density rigid polystyrene insulation
- 4 Ultra high density rigid polystyrene insulation thermal break
- 5 Welded aluminum framing (T6061)
