2011 ENTEGRA COACH

Expectations Exceeded.

THE 2011 ASPIRE is a dream unveiled. It indulges the senses and reinvents the concept of luxury.

With a 400 HP Cummins engine and Freightliner chassis, the Aspire does more than just command the road—it owns it—and every other winding highway and unconquered pass.

Inside, the Aspire makes its own powerful statement with exquisite porcelain tiles, solid hardwoods and lavish furnishings that will exceed *all* your expectations—even the ones you thought unattainable. Dream. Then, revel in it.

ASPIRE®

Aspire boasts scrupulous touches, like custom-laid porcelain travertine floor and distressed Ultraleather furniture, and flaunts enviable conveniences, like a 40" LCD HDTV and central vacuum system.

ROOM TO LIVE

OPULENCE

With a queen-sized pillowtop mattress, rich bedding, elegant pillow shams and a decorative headboard, sleep just got more alluring, while plush designer carpeting makes it easier to rise in the morning.

TRANQUILITY

With stylish satin nickel hardware, DuPont Corian countertops, a porcelain stool with push-button flush and a tinted skylight, Aspire redefines refreshing.

LUXURY AND FUNCTION

(A) Distressed Ultraleather, (B) a one-piece walk-in fiberglass shower with integrated seat and (C) a 26" LCD HDTV home theatre system in the bedroom give Aspire impeccable sophistication.

A

B

C

All your culinary desires are fulfilled thanks to a host of enviable details, including an Amana convection microwave and recessed range, a four-door, 12 cu. ft. Norcold refrigerator with ice maker, a porcelain tile kitchen backsplash and Amish handcrafted solid hardwood cabinetry in Washington Glazed Maple or Mocha Glazed Maple.*

*Mocha Glazed Maple pictured.

FINE DINING

RIGID

Seamlessly engineered, flawlessly designed, Entegra Coach's exclusive X-Bridge chassis helps prevent flexing throughout, averting cracks in tile and grout and reducing windshield movement and noise. Meanwhile, the flush-mount slideout's sleek design is a reflection of Aspire's well-assembled construction.

ENTERTAINING

Accustomed to entertaining in style? Aspire will surpass your expectations with an optional exterior entertainment system, complete with 32" LCD HDTV, CD/DVD player and speakers.

ENGINEERING AND STYLE

(A) A steel reinforced front cap and windshield frame provide extra strength, offering added protection when driving. (B) The optional multiplex coach lighting system puts everything in one simple location, (C) while the Aqua-Hot 375-LP hydronic water and heating system conserves energy (optional).

Conquer the road in opulent comfort with Aspire's Flexsteel Ultraleather captain chair with six-way power and integrated seat belt, VIP SmartWheel steering wheel, Freightliner message center, rear-view monitor with one-way audio, touch-screen AM/FM/CD/DVD player, GPS navigation, Bluetooth and an Ultra-Vision wrap-around one-piece windshield.

DRIVING STYLE

STRENGTH

A structure's foundation should never be compromised, which is why Aspire is built on a Freightliner XCR Series chassis and Entegra Coach's exclusive X-Bridge frame. Ingeniously crafted with strength in mind, Aspire's fully integrated design provides superior support and stabilization, plus easy steering and smooth braking for a quiet, comfortable ride.

POWER

Boasting a Cummins ISL turbocharged 400-horsepower engine with Allison 3000 MH six-speed transmission and electronic shifter, Aspire has power to spare, while its muffled Jake brake system provides quieter, more efficient braking.

ENTEGR A
COACH®

A reputation for integrity isn't built overnight. It happens only after years of doing what you say you will do—and by practicing the Golden Rule.

Over the last 40 years, the Bontrager family has worked hard to establish a reputation of integrity in the RV business. Through ups and downs, successes and failures, these four decades have taught us the importance of doing our best to meet our customers' expectations. And that is why we are excited to introduce the finest line of RVs we have ever built—the motor coaches from Entegra Coach.

We believe Entegra Coach captures everything we stand for, from its structural quality and old-world craftsmanship, to unmatched customer service. We hope you'll take some time with your local dealer to understand why our family stands so strongly behind Entegra Coach.

Without compromise.

2-YEAR WARRANTY (5-YEAR STRUCTURAL)

Our family is proud to stand behind every Entegra Coach we build. That's why we back our motor coaches with a manufacturer's limited warranty, warranted to the original purchaser for two years (five years structural) from the original date of purchase or 24,000 miles of use, whichever comes first, against defects in materials and workmanship. Our commitment is to provide you with the highest level of products and services possible. We invite you to compare us with other manufacturers—we think you'll find that our passion for your satisfaction is unmatched. For a copy of the limited warranty with full terms and conditions, ask your local Entegra Coach dealer.

3-YEAR PLATINUM-LEVEL ROADSIDE ASSISTANCE

Travel worry-free in your Aspire motor coach with the Entegra Coach Customer First Roadside Assistance program, yours at no cost during your first three years of ownership. This program is offered through Coach-Net, the largest RV emergency road service in the country and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

YOUR ENTEGRA COACH DEALER

GROSS VEHICLE WEIGHT RATING (GVWR): The maximum permissible weight of the motor coach, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

GROSS AXLE WEIGHT RATING (GAWR): The maximum allowable weight each axle assembly is designed to carry, as measured at the tires, therefore including the weight of the axle assembly itself.

GROSS COMBINED WEIGHT RATING (GCWR): The maximum allowable combined weight of the motor coach used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Entegra Coach affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements. See specifications chart inside.

See dealer for further information and prices. All information in this brochure is the latest available at the time of publication approval. Entegra Coach reserves the right to make changes and to discontinue models without notice or obligation. Photos in this brochure may show optional equipment and props for photography purposes. RVs built for sale in Canada may differ to conform to Canadian codes. ©2010 Entegra Coach, Inc. 11-ASPR-PL0910-15K Printed in U.S.A.
